REPORT OF THE COMMITTEE ON FINANCE

RESOLUTION APPROVING THE NEW DESIGNATION AND CHANGES IN THE DESIGNATION OF CERTAIN ORGANIZATIONS TO RECEIVE FUNDING IN THE FISCAL 2009 EXPENSE BUDGET

The Committee on Finance, to which was referred the above-captioned resolution, respectfully submits to The Council of the City of New York the following

REPORT

Introduction. The Council of the City of New York (the "Council") annually adopts the City's budget covering expenditures other than for capital projects (the "expense budget") pursuant to Section 254 of the Charter. On June 29, 2008, the Council adopted the expense budget for fiscal year 2009 with various programs and initiatives (the "Fiscal 2009 Expense Budget").

Analysis. This Resolution, dated April 2, 2009, approves new designations and changes in the designation of certain organizations receiving local, aging, and youth discretionary funding in accordance with the Fiscal 2009 Expense Budget, and approves the addition of fiscal conduits for certain organizations receiving local and youth discretionary funding. In addition, this Resolution approves the new designations and changes in the designation of certain organizations to receive funding pursuant to certain initiatives in the Fiscal 2009 Expense Budget.

In an effort to continue to make the budget process more transparent, the Council is providing a list setting forth new designation and/or changes in the designation of certain organizations receiving local, aging, and youth discretionary funding (or Council discretionary funding), as well as new designations and/or changes in the designation of certain organizations to receive funding pursuant to certain initiatives in the Fiscal 2009 Expense Budget.

This resolution sets forth new designations and specific changes in the designation of certain organizations receiving local initiative funding, as described in Chart 1, attached hereto as Exhibit A, sets forth new designations and changes in aging discretionary funding, as described in Chart 2, attached thereto as Exhibit B, sets forth new designations and specific changes in the designation of certain organizations receiving youth discretionary funding, as described in Chart 3, attached thereto as Exhibit C, and sets forth the new designations of certain organizations that will receive funding pursuant to certain initiatives in the Fiscal 2009 Expense Budget, as described in Charts 4-15, attached hereto as reflected in Exhibits D-O.

The Charts, attached to the resolution, contain the following information: name of the council member(s) designating the organization to receive funding or name of the initiative, as set forth

in Adjustments Summary/Schedule C/ Fiscal 2009 Expense Budget, dated June 29, 2008; name of the organization; organization's Employer Identification Number (EIN), if applicable; agency name; increase or decrease in funding; name of fiscal conduit, if applicable; and the EIN of the fiscal conduit, if applicable.

Specifically, Chart 1 sets forth the new designation and changes in the designation of certain organizations receiving local discretionary funding. Chart 1 also reflects the addition of the Bay Ridge Bensonhurst Beautification and Preservation as a fiscal conduit for the Brooklyn Generals Football, Inc. organization.

Chart 2 sets forth the new designation and changes in the designation of certain organizations receiving aging discretionary funding.

Chart 3 sets forth the new designation and changes in the designation of certain organizations receiving youth discretionary funding. Chart 3 also reflects the addition of the Council of Jewish Organizations of Flatbush, Inc. as a fiscal conduit for the St. Paul's Lutheran Church organization.

Chart 4 sets forth the new designation and changes in the designation of certain organizations receiving funding pursuant to the Cultural After School Adventure Initiative. As indicated in Chart 4, funding in the amount of \$19,362.74 for the Museum of Contemporary African Diasporian Arts-Public School 20 has been withdrawn. This money will be used to fund the Museum of Contemporary African Diasporian Arts-Public School 22K.

Chart 5 sets forth the new designation and changes in the designation of certain organizations receiving funding pursuant to the Immigrant Opportunity Initiative. As indicated in Chart 5, funding in the amount of \$25,000.00 for the Upper Manhattan Council Assisting Neighbors has been withdrawn. This money will be used to fund the Northern Manhattan Coalition for Immigrant Rights.

Chart 6 sets forth the new designation and changes in the designation of certain organizations receiving funding pursuant to the Domestic Violence and Empowerment (DoVE) Initiative. As indicated in Chart 6, funding in the amount of \$37,500.00 for the United Jewish Community Advocacy Relations and Enrichment (UJ CARE), Inc. has been withdrawn. This money will be used to fund the Jericho Road, Inc.

Chart 7 sets forth the new designation and changes in the designation of certain organizations receiving funding pursuant to the Food Pantries Initiative. As indicated in Chart 7, funding in the amount of \$5,000.00 for the Neighborhood Initiatives Development Corporation (NIDC) has been withdrawn. This money will be used to fund the Jewish Community Council of Pelham Parkway, Inc.

Chart 8 sets forth the new designation and changes in the designation of certain organizations receiving funding pursuant to the Anti-Illegal Eviction and SRO Legal Services Initiative.

Chart 9 sets forth the new designation and changes in the designation of certain organizations receiving funding pursuant to the Discharge Planning/In-Detention Services Initiative, leaving a remaining balance of \$161,223. The Fiscal 2009 Expense Budget provided \$640,000 for the Discharge Planning/In-Detention Services Initiative within the budget for the Department of Juvenile Justice (DJJ). On February 21, 2009, pursuant to Council Resolution, funding in the amount of \$478,777 was used to fund several organizations within the Initiative. Pursuant to the February 21, 2009 Resolution, the remaining balance would be used to fund organizations to be designated by the DJJ, and approved by the Council, at a later date. This Resolution reflects the Council's approval of the DJJ designation of certain organizations to be funded with the remaining balance of \$161, 223 within the Discharge Planning/In-Detention Services Initiative.

Chart 10 sets forth the new designation and changes in certain organizations receiving funding pursuant to the Autism Awareness Initiative. Chart 10 indicates a technical correction. The Fiscal 2009 Expense Budget inadvertently provided \$100,000 to the Jewish Board of Family and Children's Services (aka Pride of Judea)- The Shield Institute within the Autism Awareness Initiative rather than David, The (d/b/a Shield Institute, The). Chart 10 reflects the proper designation of the funding to Shield of David, The (d/b/a Shield Institute, The).

Chart 11 sets forth the new designation and changes in certain organizations receiving funding pursuant to the Financial Literacy Initiative. As indicated in Chart 11, funding in the amount of \$60,000 for the Upper Manhattan Council Assisting Neighbors has been withdrawn. This money will be used to fund the Washington Heights Business Improvement District Management Association, Inc.

Chart 12 sets forth the new designation and changes in certain organizations receiving funding pursuant to the MWBE Leadership Associations Initiative. As indicated in Chart 12, funding in the amount of \$75,000 for the Upper Manhattan Council Assisting Neighbors has been withdrawn. This money will be used to fund the New York Women's Chamber of Commerce, Inc.

Chart 13 sets forth the new designation and changes in certain organizations receiving funding pursuant to the HIV/AIDS Faith-Based Initiative. The Fiscal 2009 Expense Budget included \$2,000,000 for the HIV/AIDS Faith-Based Initiative within the budget for the Department of Health and Mental Hygiene. The language within the Fiscal 2009 Expense Budget with regard to the purpose of funding for this initiative read: "This allocation represents a partial restoration of \$2,000,000 for prevention, education, outreach, advocacy and support services. This funding is directed to local churches and community-based organizations which demonstrated an ability to engage vulnerable populations raise awareness of the disease and thereby help lower the rate of HIV/AIDS. This allocation historically receives a 36 percent State match of Article Six funding. However, this year the amount of the match will be determined at a later date due to a State budget reduction." This Resolution, as indicated in Chart 13, reflects State matching funds for this Initiative totaling approximately \$551,000. This amount, as indicated in Chart 13, reflects an enhancement to organizations within the Initiative, as well as an addition of new organizations to the Initiative.

Chart 14 sets forth the new designation and changes in certain organizations receiving funding pursuant to the Infant Mortality Reduction Initiative. Chart 14 indicates a name change. The Fiscal 2009 Expense Budget provided funding in the amount of \$9,793.12 for the St. Vincent's Medical Center of Richmond Nursing Home Company, Inc. Subsequent to adoption of the Fiscal 2009 Expense Budget, this organization changed its name to Richmond Medical Center (d/b/a Richmond University Medical Center). Chart 14 reflects the name change and the proper designation of the \$9,793.12 to the Richmond Medical Center d/b/a Richmond University Medical Center.

Chart 15 sets forth the new designation and changes in the designation of certain organizations receiving funding pursuant to the Food Pantries-HRA Initiative. As indicated in Chart 15, funding in the amount of \$500,000.00 for the Emergency Food Assistance Program (EFAP) Initiative has been withdrawn. This money will be used to fund the Food Bank for New York City, The.

It is to be noted that organizations identified in the attached Charts with an asterisk (*) have not yet completed or began the prequalification process conducted by the Mayor's Office of Contract Services (for organizations receiving more than \$10,000) or by the Council (for organizations receiving \$10,000 or less total). Organizations identified without an asterisk have completed the appropriate prequalification review.
