Dear Friends,

Thank you for contacting my office regarding the funding cuts that have been made to Senior Centers during the past few years.

As you are aware, I firmly believe Senior Centers are not adequately funded and we need to do more for the senior citizens in the community. I am dismayed to learn that each social worker, who works with homebound seniors, is assigned 90 cases. There is no way that one person can be expected to handle 90 seniors in need of assistance.

Further, many seniors, such as yourself, have worked hard their entire lives to create the beautiful and safe neighborhoods that we live in. You deserve to have the City provide senior centers and programs to help you to continue to enjoy living in Queens.

I am glad to call myself an advocate for seniors, and promise you, that I will continue to do everything in my power to ensure the funding to senior programs is not decreased. Should you have any questions or want to discuss this matter further, please do not hesitate to contact my District Office at (718) 631-6703.

In Service,

Dan Halloran
Council Member, District 19
