CITY COUNCIL HONORS GLORIA STEINEM FOR MS. MAGAZINE'S 40TH ANNIVERSARY

Council Member Mark Weprin and fellow Council Members honored Gloria Steinem for the 40th anniversary of Ms. Magazine. Gloria Steinem, co-founder of Ms. Magazine, is one of the most influential American feminists in history and a prominent political activist for the women's liberation movement. Ms. Magazine was first put on stands in 1972 and sold an astonishing 300,000 copies in a mere eight days.

"Gloria Steinem and Ms. Magazine changed history, helping women everywhere be strong and independent, making choices for themselves," said Council Member Mark Weprin.

Ms. Magazine ultimately made history, being the first American magazine to influence legalizing abortion, and covering topics such as domestic violence and sexual harassment.
