This Resolution, dated November 3, 2011, amends the agency designation for Jewish Community Council of Greater Coney Island, Inc., an organization originally receiving local discretionary funding in accordance with the Fiscal 2012 Expense Budget in the amount of \$65,000 within the budget of the Department of Youth and Community Development. The Resolution now designates the Department for the Aging as the agency through which the organization will receive funding. The Resolution also amends the Description/Scope of Services. The Description/Scope of services for this funding listed in the Fiscal 2012 expense budget read: "NonProfit HelpDesk Capacity Building/Technical Assistance for NonProfits: To provide technical assistance in the areas of fiscal management, technology, organizational development, program development, fundraising, marketing, and board development training and consulting to small-to-medium-sized New York City non-profit organizations." This Resolution now changes the Description/Scope of services to read: "Funds to support services for Seniors."

Also, this Resolution amends the Description/Scope of Services for One Community Center, Inc., an organization receiving local discretionary funding in accordance with the Fiscal 2012 Expense Budget in the amount of \$5,000 within the budget of the Department of Youth and Community Development. Additionally, this Resolution amends the Description/Scope of Services for One Stop Richmond Hill Community Center, Inc., an organization receiving local discretionary funding in accordance with the Fiscal 2012 Expense Budget in the amount of \$5,000 within the budget of the Department of Youth and Community Development. The previous Description/Scope of services for this funding read: "Funding for administrative costs, including salaries and fringe benefits for Program Director, Assistant Director/Receptionist, Maintenance person, and 2 teachers, as well as for operating costs (utilities, insurance, supplies, rent, CPA, postage, etc.) related to Mommy Me classes for local residents." Also, this Resolution amends the Description/Scope of Services for Bobbi and the Strays, Inc., an organization receiving local discretionary funding in accordance with the Fiscal 2012 Expense Budget in the amount of \$5,000 within the budget of the Department of Youth and Community Development. The previous Description/Scope of services for this funding read: "In an effort to educate the public about animal cruelty, and the responsibilities and benefits of having a pet, Roberta (Bobbi) Giordano, gives talks at citywide elementary and middle schools on a regular basis, after normal school hours. Some of the schools include PS63, PS60, PS97, PS105, PS100, PS206, PS47, PS96, IS285, PS112, IS68, 42Q, 155Q, 144Q, ISPS327,122,155Q,114Q MS210Q, IS68, and PS58, Aviation High and more each year. These talks are usually given in an informal classroom setting so that the children can ask questions. Pamphlets and booklets are handed out for the students to take home, concerning her talk. She also usually shows a video presentation. To the best of our knowledge we are the only rescue group doing this within the five boroughs of New York City. She discusses real life situations/stories of stray animals from our neighborhood and shelter that had a wonderful outcome because people cared about them. She explains the problem of overpopulation of unwanted animals, in addition to animal cruelty, such as illegal dog fighting. This behavior and its outcome can be greatly reduced by educating these impressionable young minds. These youngsters can better understand that animal cruelty is not in some faraway place, but right here where they live and go to school. They will gain a sense that their actions of kindness, responsible pet care, etc. can have a positive effect on the life of an animal; just like in the presentation. We feel this is a good way of educating, motivating and inspiring these youngsters. The availability for these presentations is on our Website, www.BobbilandtheStrays.org. Approximately 2500-3000 students are reached by this program." This Resolution now changes the Description/Scope of services to read: "To support medical/veterinary costs for an animal protection and spay/neutering service open to all residents of Queens."

Additionally, this Resolution amends the Description/Scope of Services for Prospect Park Alliance, Inc., an organization receiving youth discretionary funding in accordance with the Fiscal 2012 Expense Budget in the amount of \$5,000 within the budget of the Department of Youth and Community Development. The previous Description/Scope of services for this funding read: “The Prospect Park Alliance, in partnership with the City of New York and the community, restores, develops, and operates the Park for the enjoyment of all New Yorkers. The Alliance is dedicated to serving visitors through its facilities and programs, caring for the Parks natural environment, and preserving its historic design. The previous Description/Scope of services for this funding read: “ITSOCs Youth Transition Empowerment program works to reduce the re-entry of children and youth into the foster care system and facilitates exit from the foster care by (1) offering a continuum of services to youth exiting care in order to prevent homelessness and promote successful independent adulthood, and (2) working with families to prevent the re-entry of their children into foster care. During 2010 January through December, ITSOC received 14 new unduplicated referrals. We serviced 34 youth in total. Of the 34 youth served, 31 were active participants. In the past eight years, we have assisted a total of 177 young people of which 60 are males, 117 are females and 91 children ages 0-10. The recent integration of the New York City Department of Juvenile Justice with the Administration for Children Services ACS) created a new need for service provisions for the Juvenile Justice youth population. This organization was approached in the spring of 2010 to assist in the service delivery of juvenile justice youth, specifically to provide prevention/intervention aftercare services to youth who are first time offenders and their families. ITSOC has become a critical community resource for a number of youth and their families that seek to take control of their futures and become participating

members of our society. We see both a need and an opportunity to make a bigger impact by providing services to more youth, over the course of the next year. Additional funding will further our goal to provide a growing number of youth transitioning from foster care as well as youth exiting the juvenile justice system with supportive services. Accomplishments: In May 2010, we are pleased to announce that another of our program participants graduated from college. This is the third young person in the past year; she graduated from Norwalk Community College with an associate degree in legal administration.” The Resolution changes the Description/Scope of services to read: “In the last year In the Spirit of the Children experienced an increase in the number of calls from child welfare service providers working with youth preparing for their exit from foster care. This demonstrated a need for increased knowledge in how to effectively prepare youth in foster care for discharge, and based on the number of youth that are aging out of foster care and into homelessness. In the spirit of the children is seeking to respond through the offering of training during FY12 to Child Welfare Staff working with older youth. In addition, separate training sessions will be provided to the youth.”
