

## FY 2010 BUDGET DISCLOSURES

The following disclosures were made by Council Members pursuant to City conflicts of interest rules. The disclosures were required if the Member, or anyone with whom the Member was associated, was involved with a group for which the Member sought funding. Certain involvements, however, do not require disclosure, including board memberships without a vote (usually ex officio or honorary), advisory board memberships, non-policy making volunteer positions, and ordinary memberships in organizations. Accordingly, such disclosures are not included here.
