

NYC Public Schools Celebrate **Respect For All Week**

March 8 – 12, 2010

***Respect:** proper acceptance or courtesy; regard for the dignity of another's character; to show regard or consideration for another*

Dear Students-

Each of you brings to our school the richness of our city's cultural diversity and the desire for respect. We encourage you to speak with your teachers and counselors to find out how you can contribute to **Respect For All Week** in our school. If you are a member of a club or team, we hope you will speak to your faculty advisor or coach to discuss how your club members or team mates can be a part of our school's activities to make our school community a place where everyone feels respected, safe and included.
