In-School Dance Residency

Residencies are ongoing, sustained and sequential dance classes of traditional, social, urban, and/or contemporary dance forms that are derived from the multicultural Latinx experiences. Classes offer cultural context and activities that explore the celebration of dance and cultural heritage. Students will have the opportunity to learn dances in addition to create movement inspired by their personal stories and responses to Ballet Hispánico’s repertoire or Latino artists. The residence finishes in a culminating event to the school and families.

Pricing:

1 School	One residency of 30 weeks (Total of 90 sessions -Full year) three times per week for 2 groups (each group of 30 students)	\$ 38,500.00
