**STATEMENT FROM COUNCIL MEMBER KEITH POWERS ON
INTRODUCTION OF SEXUAL HARASSMENT LEGISLATION**

"I am proud to join my colleagues in introducing legislation that would address sexual harassment in the workplace. My legislation would extend sexual harassment protection to employees of any company, regardless of its size.

We are experiencing a watershed moment, and the Council's focus on this is just the tip of the iceberg. We are overdue for change when it comes to equality and sexual harassment, and I look forward to working together to make much-needed updates to the law."
