RULES OF THE COUNCIL

CHAPTER I – MEETINGS OF THE COUNCIL

1.00. Stated, Special - The Council shall hold no less than two stated meetings a month, unless otherwise ordered, except during the months of July and August. Such meetings shall be called by the Speaker. The first meeting in each year shall be the Charter Meeting, and shall be held on the first Wednesday after the first Monday of January at noon.

The Council may adjourn to a day other than that of a stated meeting and notice thereof shall be given to each member and the public by the Legislative Document Unit at least 24 hours before the set time. Notice of such adjournment shall be given to the news media and shall be posted in a public location at City Hall.

A list of all items to be considered as a General Order by the Council at the stated or special meeting, together with copies of all such items, including memoranda in support or in opposition, if any, except for those items acted on by a committee convened on the day of or preceding a meeting of the Council, in which case copies of such items shall be made available as soon as practicable, and a list of titles of all proposed local laws and resolutions to be introduced at such meeting, where practicable, shall be provided to each member at least 36 hours prior to the call of all meetings.

CHAPTER II – SPEAKER: AND OTHER OFFICERS

2.00. Speaker; other Officers - The Council shall elect from among its members a Speaker, and such other officers as it deems appropriate. During absences, the Speaker may designate, in writing, any member to perform the duties of the Speaker for that legislative day.

2.05. Speakers' Office - No person, including but not limited to registered lobbyists, except Members of the Council and Council staff, shall be permitted access to the Speaker's Office, except in specific designated areas, except when such person is attending a scheduled meeting or a public event. Such designated areas shall be demarcated by the posting of signs or the placement of a gate.

2.10. Agenda - The Speaker shall compile an agenda for each stated, charter and special meeting of the Council and shall provide each member with a copy thereof. The agenda shall include all vetoes, messages from the Mayor or other City, county and borough officials, departments and agencies, other petitions and communications, and reports of subcommittees, special and standing committees. All matters which have been considered by a committee and reported out favorably or with amendments shall be listed in a section devoted to General Orders. A list of introductions of local laws and, resolutions, submitted for consideration to the Council and referred to a committee at such meeting, where practicable, shall be annexed. General Orders are those proposed local laws, resolutions or other items of unfinished business requiring no further action by the Council, except to vote thereon. In the event any matters on the General Order Calendar of a particular meeting are not acted upon, they shall be continued on the agenda at the next meeting, and each succeeding

meeting until final action is taken.

2.15. Attendance Policy - The Speaker shall formulate an attendance policy for committee, stated, charter, and special meetings.

2.20. Council Chamber - The use of the Council Chamber, Council Committee Room and all other space used for the purpose of conducting Council business shall be within the jurisdiction of the Speaker, unless otherwise ordered by the Council.

2.25. Council Lounge - No person, including but not limited to registered lobbyists, except Members of the Council and Council staff, shall be permitted access to the Council Lounge, except that persons other than Council Members and Council staff may be granted admission for the purpose of attending meetings with Members or public events. Notice of such meetings with individual Council Members shall be provided to the Sergeant-at-Arms in advance by such Member to the extent practicable, indicating the name(s) of the attendees.

2.30. Committee of the Whole - The Speaker may, at any time, convene the Committee of the Whole and shall provide each member and the public with notice of such meeting together with a schedule of those items to be considered as far in advance of such meeting as is practicable. When the Council convenes as a Committee of the Whole, the Speaker shall be chairperson of such Committee. Notice of such meeting shall be given to the news media and shall be posted in a public location at City Hall.

2.40. Personnel and Fiscal Reports - The Speaker shall provide to each member an annual report, which may be included as part of the annual accounting of the Council's actual expenditures required by this rule, detailing the names of all individuals receiving compensation for work performed for the Council, its members or any of its committees, the amount of such compensation for Central staff only, and a title and job description (including identification of the function or division of the Council to which the individual is assigned). The Speaker shall publish an annual accounting of the Council's actual expenditures by September 30 of each year, which covers the previous fiscal year, and which is sufficiently detailed to indicate the positions and purposes which have been funded as well as the activities and categories of materials and supplies purchased. Such accountings shall be accompanied by a summary description specifying, at a minimum, the amounts devoted to the following functions and divisions of the Council: the divisions responsible for the budget and fiscal analysis, the Council's role in the land use process, legislative drafting, and legal services; the Council press office; each committee; the Sergeant at Arms and other security functions; each member's office; the Speaker's staff, including all amounts paid to all consultants as well as the functions of such consultants; and any changes in each of these amounts, other than changes in compensation of members of Central staff, from the Council budget adopted for the fiscal year covered by such accounting.

2.45. Procurement Procedures - a. The Speaker shall establish procurement procedures that shall apply to all Council members and Council employees, so as to ensure efficiency, cost control and avoid conflicts of interest in the procurement process. All Council members and Council employees shall be required to comply with the procurement procedures established by the Speaker, as well as any related requirements for training set by the Speaker. The Speaker shall make available to all Council Members and Council employees a copy of such procedures and any changes thereto.

b. The procurement procedures set by the Speaker shall take effect immediately.

2.50. Proposed Council Budget - The Speaker shall provide to members copies of the proposed budget of the Council for the following year as soon as practicable. Such proposed budget shall include, at minimum, the amounts devoted to the following functions and divisions of the Council: the divisions responsible for the budget and fiscal analysis, the Council's role in the land use process, legislative drafting, and legal services; the Council press office; each committee; the Sergeant at Arms and other security functions; each member's office; and the Speaker's staff, including all amounts paid to all consultants as well as the functions of such consultants.

2.55. Discretionary Funding - a. The Speaker shall establish a policy to ensure the integrity and transparency of the Council discretionary funding process. Such policy shall require that all organizations that wish to be considered for discretionary funding from the expense budget or for discretionary funding from the capital budget for a "non-City capital project" shall file an application with the Council or relevant City offices and/or agencies. For the purposes of this rule, a "non-City capital project" is a project for which the applicant organization is required to submit a Capital Funding Request Form for Not-for-Profit Organizations. Applications for discretionary funding from the expense budget or for discretionary funding from the capital budget for a non-City capital project shall be reviewed by the Council and/or relevant City offices and/or agencies to ensure that they are legally eligible to receive the City funds, are capable of providing the services for which they seek funding, are seeking funding for a public purpose, and are in compliance with all applicable laws and regulations. All expense applications received by the Council shall be made available to the public in a searchable on-line database in summary form. All allocations for discretionary funding from the expense budget or for discretionary funding from the capital budget shall be made available to the public in a searchable on-line database and in a downloadable, machine-readable format. All organizations that receive discretionary funding from the expense or capital budgets shall be required to complete a brief summary of how they have utilized such awarded funds.

In addition, such policy shall require completion of conflicts of interest disclosure/certification forms as specified by the Speaker from (i) all organizations seeking discretionary funding from the expense budget or discretionary funding from the capital budget for a non-City capital project, (ii) all Council Members sponsoring discretionary funding allocations and (iii) all Council Members prior to voting to designate discretionary funds. Such disclosure/certification forms shall contain either disclosure of any relationship between an organization and applicable City officials and associated persons or firms so that a determination may be made as to whether funding such organization is consistent with the City's Conflicts of Interest Laws and if so whether disclosure is necessary, or a certification that no such relationships exist.

b. Allocation of discretionary funds from the expense budget or discretionary funds from the capital budget for a non-City capital project, designation of recipients of discretionary funds from the expense budget or discretionary funds from the capital budget for a non-City capital project, and delineation of the uses of such funds shall be made solely through the budget adoption or modification process or through a discretionary funding transparency resolution. All such funds shall be distributed between and among sponsoring Council Members for allocation pursuant to a publicly disclosed formula that allocates funds either equally among members, or based upon publicly available data about differences between districts, or some combination thereof. The Speaker shall be responsible for proposing no more than one half of all dollars allocated by the Council discretionary expense funding process.

2.60. Council Members' Operating Expenses - The amounts allocated in the Council budget for the operation of individual members' offices shall be the same for each member. The Speaker may not reduce such amount for any member unless all members are subject to the same reduction. The Speaker may not supplement the amount available to any member through direct or indirect payment, provided that the Speaker may, with notice to all members, supplement the amount available to an individual Councilmember in cases of special need. It is the intent of the body that the total amount allocated for the operation of individual members' offices shall be reasonable in proportion to the amount allocated for central staff.

2.65. Prohibition against using funds from operating expenses for certain advertisements - **a.** No city funds appropriated to the Council ("Council funds") shall be used by a Council Member for the purchase of advertisements in an organization's journal or bulletin in print or other form; provided, however, that for purposes of this rule, a publication of an organization that is published at least quarterly and is distributed beyond the membership of the organization to the general public shall not be deemed a journal or bulletin.

b. No Council funds shall be used by a Council Member for the purchase of any advertisement published or broadcast in any print, radio or television or other electronic media that (i) does not solely consist of informational or educational content relating to a governmental function or a government-sponsored event or (ii) contains any seasonal or holiday greeting or message or any congratulatory or commemorative message or (iii) contains a Council Member's likeness, picture or voice.

c. The Council shall only approve the purchase of advertisements that comply with the provisions of this rule and such payment shall only be made after a copy of such advertisement (or a detailed description of any such advertisement if not in print form) is provided to the Speaker's designee together with the invoice for such purchase.

2.70. Policies Prohibiting Discrimination and Harassment and Related Training - **a.** The Speaker shall establish a policy or policies prohibiting workplace discrimination and harassment, including sexual harassment, for the Council, which shall apply to all Council Members, their staff and Council central staff. All Members, their staff and Council central staff shall be required to comply with the requirements of such policy or policies, including the requirements for related training. The Speaker shall provide all Members, their staff and Council central staff with a copy of such policy or policies and any changes thereto.

b. The Speaker shall require mandatory annual participatory interactive training for all Members, their staff and Council central staff as outlined in the policy or policies established pursuant to rule 2.70a.

2.75. Assessment and Reporting - **a.** The Speaker shall formulate a recurrent risk factor review plan to assess and address potential risk factors associated with workplace sexual harassment, such as a homogenous workforce, language differences in the workplace, a workforce having significant power disparities and isolated and decentralized workplaces. The process herein shall commence immediately, recur periodically and cease January 31, 2022.

b. The Speaker shall publish an annual report within the Council for the first Stated meeting in February disclosing complaints of workplace sexual harassment, as defined by the Council's policy or policies prohibiting discrimination and harassment established pursuant to rule 2.70a. Such report

shall track for each preceding calendar year the number of complaints alleging workplace sexual harassment and the dispositions of such complaints. The annual report shall not contain any personally identifiable information.

c. The Speaker shall distribute a discrimination and harassment climate survey. Such survey shall gauge whether Council staff are familiar with the Council's policy or policies prohibiting discrimination and harassment, consider their workplace safe and free from violations of the Council's policy or policies and believe that the Council protects the rights of its employees to pursue their duties in a respectful workplace. The climate survey shall assess whether Council staff have witnessed or experienced workplace discrimination or harassment as described by the Council's policy or policies and whether they understand Council reporting and complaint procedures. The climate survey shall also gauge whether Council staff believe discrimination or harassment is, or would be, tolerated by the Council. For supervisors and managerial employees, the climate survey shall prompt whether such supervisors and managerial employees are knowledgeable about their responsibilities with respect to the prevention of conduct prohibited by the Council's policy or policies prohibiting discrimination and harassment. The climate survey shall also prompt whether such supervisors and managerial employees are knowledgeable about the measures they may take to address complaints. Information concerning demographic variables, including, but not limited to, race, ethnicity, gender, sexual orientation and age, shall be solicited from survey respondents. Survey respondents may provide such demographic information, in full or in part, at their discretion.

By the close of the first year of the term, the Speaker shall disseminate the climate survey. By the close of the second year of the term, the Speaker shall assess the climate survey results, and, in response, determine and implement a preemptive action plan to create a discrimination-free and harassment-free workplace, as set forth in the Council's policy or policies established pursuant to rule 2.70a. By the close of the third year of the term, the Speaker shall refine and redistribute the climate survey. By the end of the term, the Speaker shall assess the recent climate survey results, and, in response, recommend a successive preemptive action plan. By the end of the first year of the ensuing term, and every four years thereafter, the Speaker shall address the preceding Speaker's recommendations, disseminate a climate survey, assess the climate survey results, and, in response, determine and recommend a preemptive action plan for the next Speaker. Based on each assessment and determination, the Speaker shall update the Council's policy or policies prohibiting discrimination and harassment, as necessary, established pursuant to rule 2.70a.

In the event a Speaker's term is fewer than four years, the subsequent Speaker shall maintain the four-year climate survey schedule delineated herein for the remainder of the unexpired term. In the event of two consecutive 2-year terms, the Speaker of the first term shall initiate and conclude the steps delineated herein for the first two years of a regular four-year term. The Speaker of the second term shall initiate and conclude the steps delineated herein for the final two years of a regular four-year term.

2.80. Qualification of Council Members - Council Members, as public officers, must meet the qualifications of Section 3 of the New York State Public Officers Law in order to hold public office. In addition, Section 30 of such law sets forth provisions governing the creation of vacancies in public office. The Committee on Rules, Privileges and Elections shall have jurisdiction over these matters. The Committee, or staff of the Committee acting under its direction, shall request such information as is reasonably necessary to review the qualifications of Council Members-elect. In addition, the Committee may determine whether particularized review of qualifications of a Council

Member-elect or eligibility to serve of a Council Member is appropriate based upon information submitted or otherwise available to the Committee, or based upon failure to submit information requested in accordance with the preceding sentence. In the event that such a particularized review is conducted, the Council Member-elect, or Council Member, shall be afforded the right to be heard. If the Committee believes that a Council Member-elect should not be seated, or that a Council Member is not eligible to serve in public office, due to failure to meet the qualifications of the Public Officers Law or due to the creation of a vacancy pursuant to such law, the Committee will recommend appropriate action to the full Council. The record of the proceedings before the Committee on the matter shall be made available to the members of the Council before any such action is taken by the full Council.

2.85. Outside Earned Income - Members may not receive outside earned income. Outside earned income means income other than the Council salary and benefits of a member, except that such term does not include (1) investment income, including but not limited to interest, dividends, rents, annuities and capital gains; (2) compensation for personal services actually rendered before the adoption of this rule or before such individual became a member; (3) income received from a pension or retirement account, or from social security; (4) copyright royalties received under usual and customary contractual terms; (5) compensation for speaking engagements or artistic performance, with advance approval by the conflicts of interest board; (6) income received for teaching a course of instruction at an established academic institution for which students receive credit, so long as such compensation does not exceed that normally received by others at the institution for a comparable type and amount of instruction; and (7) with advance approval by the Office of General Counsel, minimal earned income from activity involving only a limited time commitment, and which does not interfere with the performance of official duties. Any income received by a member shall be subject to the requirements of chapter 68 of the charter. Until January 1, 2018, the provisions of this rule do not apply to any member who submits a letter to the Speaker no later than March 1, 2016 stating that such member has received outside income during the Council's 2014-2017 session and intends to continue to receive outside earned income.

CHAPTER III PRESIDING OFFICER

3.00. Who Presides - The Speaker shall be the presiding officer of the Council and may at his or her discretion designate an Acting President Pro Tempore who shall chair all stated, charter and special meetings. The Speaker shall call the Council to order and the Acting President Pro Tempore, except in the absence of a quorum, shall proceed to business in the manner prescribed by these Rules. Only in the event the Speaker is no longer a member of the Council, the City Clerk shall act as the presiding officer for the Charter meeting of a new session. The City Clerk shall call the meeting to order, read into the record communications, including the certification of newly elected members from the Board of Elections, call the roll, seek nominations for Speaker and manage any debate thereon, close nominations, call for a vote on such nominations and announce the new Speaker. Once elected, the new Speaker shall become the presiding officer.

3.10. Order, Decorum - The presiding officer shall preserve order and decorum. In the event of disturbance or disorderly conduct in the Chamber, lobby or gallery, the presiding officer may cause the same to be cleared.

3.15. Prohibition on the Use of Mobile Telephones - The Council prohibits the use of all mobile telephones during the course of Stated Meetings. The presiding officer shall enforce this Rule by directing that all mobile telephones be silenced or placed on vibrate at the start of the Stated Meeting and that they not be in use on the floor until the conclusion of the meeting.

3.20. Call of Members to Order - Members, when called to order by the presiding officer, shall thereupon take their seats and the presiding officer's ruling that a member is out of order shall be subject only to the right of appeal.

3.30. Appeals - Any member may appeal to the Council from a ruling of the presiding officer and the member making the appeal may briefly state the reason for same, and the presiding officer may briefly explain such ruling. There shall be no debate or explanation of voting on the appeal and no other member shall participate in the discussion except for the Majority Leader and Minority Leader, or the designee of each. The presiding officer shall then ask the question, "Shall the decision of the presiding officer be sustained?", and if a majority of the members present vote in the affirmative, the decision of the presiding officer shall be sustained; otherwise the decision of the presiding officer shall be overruled.

CHAPTER IV – MAJORITY AND MINORITY LEADERS

4.00. Majority Leader - The Majority Leader shall be a member of the political party with the greatest number of members in the Council. During absences, the Majority Leader shall designate, in writing, any member of the majority party to perform the duties of the Majority Leader for that legislative day.

4.10. Minority Leader - The Minority Leader shall be chosen by the members of the Council of the political party with the greatest number of members in the Council after the majority party. During absences, the Minority Leader shall designate, in writing, any member of such minority party to perform the duties of the Minority Leader for that legislative day. The Minority Leader may appoint such party officers as he or she deems appropriate.

CHAPTER V – CLERK AND STAFF – DUTIES

5.00. Minutes - The Legislative Document Unit shall prepare and make available on the Council's website minutes containing the proceedings of each meeting and accurate records of the members actually in attendance. All papers submitted shall constitute a part of the proceedings of each meeting.

5.10. Public Access - The Office of the Speaker shall keep accurate records of the meetings of the committees of the Council, including the members present, committee reports, a description of each matter considered, the plain language summary and fiscal impact statement accompanying each proposed local law or resolution, the names of witnesses appearing before the committee and copies of their written testimony, when submitted. Such materials shall be open to public inspection free of charge and copying at reasonable fees at such times as is practicable. Proceedings and records

of the Committee on Standards and Ethics shall be privileged and confidential. Any person requesting copies of such materials shall set forth in writing a specific description of the material sought which shall be submitted to the Office of the Speaker. A complete transcript of each committee meeting shall be available for public inspection at the Office of the City Clerk, Clerk of the Council, free of charge within sixty days of such meeting. The Speaker shall develop a Public Technology Plan for improving public access to Council materials and meetings, and shall periodically update such Plan as necessary.

5.30. Certification - The certificate of the Clerk of the Council shall be attached to every proposed local law or resolution to the effect that the same has been duly passed by a vote, as required by the provisions of the New York City Charter. The Legislative Document Unit shall transmit the proposed local law or resolution to the Mayor.

5.50. Rules and Charter - The Legislative Document Unit shall make available on the Council's website and furnish to each member a copy of the Rules of the Council as prepared and printed under the direction and supervision of the Committee on Rules, Privileges and Elections and shall make available a copy of "Robert's Rules of Order, Newly Revised" and the City Charter.

5.60. Assignment of Sergeant-at-Arms - The Speaker shall assign to the Sergeant-at-Arms and Assistant Sergeant-at-Arms, their respective duties and stations except as otherwise provided in these Rules.

5.70. Sergeants-at-Arms; Absence of Quorum - If a number less than a quorum shall convene, the presiding officer may send the Sergeants-at-Arms for the absent members.

5.80. Sergeants-at-Arms; Duties - The Sergeants-at-Arms shall be in constant attendance at all sessions of the Council, and, under the direction of the presiding officer, shall aid in enforcing order on the floor, in the gallery, in the lobbies and in the rooms adjoining the Chamber, and also see that no person remains on the floor, unless entitled to the privileges of the same. They shall also place on the desks of the Acting President Pro-Tempore and other members, before each meeting, the journals containing the Proceedings of the Council, the calendars and agendas provided for in these Rules, papers and the proposed local laws and resolutions.

5.90. Transmittal to Clerk - The Legislative Document Unit shall furnish to the Clerk of the Council copies of all agendas, calendars, adopted local laws and resolutions.

5.110. Legislative Tracking - The Office of the Speaker shall make available on the internet for use by the public a legislative tracking database containing the number, text, sponsorship and status of all proposed local laws and resolutions, committee reports, agendas, calendar, hearing testimony, transcripts, videos, committee assignments, voting records of members and other associated materials in the public record that can practicably be made available. All proposed local laws and resolutions in the public record as well as any information associated with each proposed local law or resolution available through the database will be provided to the general public in a machine-readable format at no cost and without restriction as soon as practicable, in order to facilitate public engagement with the Council through the use of third-party software.

CHAPTER VI – PROPOSED LOCAL LAWS AND RESOLUTIONS

6.00. Preparation and Presentation of Papers - The word paper when used herein shall include all local laws, resolutions, petitions, communications from City, county and borough offices and reports which may be proposed to the Council for action. All papers other than committee reports shall be presented in writing, endorsed with the name of the introducer or originator, and with the exception of committee reports, must be deposited with the Office of the Speaker before 1 p.m., at least three business days, excluding municipal holidays preceding the meeting day.

The style of local laws shall be “Be it enacted by the Council as follows.” Every local law shall embrace only one subject. The title shall briefly refer to the subject matter.

Every other paper shall be endorsed with a short statement of its subject matter. All proposed local laws and resolutions are to be assigned a chronological introduction or resolution number and shall appear on the agenda in alphabetical order according to the name of the first-named prime sponsor, except that the Speaker’s name shall appear first. If amended, the number of the proposed local law or resolution shall be followed by a designation beginning with the letter A, and continuing sequentially through the alphabet with each amended version.

6.10. Local Laws; How Prepared - A local law amending or repealing any existing law shall contain in brackets the part repealed and the new part to be inserted shall be underscored. When any such local law is printed in the Minutes, the part repealed shall be in brackets and the new part shall be in italics instead of being underscored. All local laws presented, whether new or of an amendatory nature, shall state specifically the section of the law to be added, amended or repealed. The latest draft of the proposed local law shall contain in the lower left corner the date and time of the most current version. Committee staff shall be responsible for transmitting such version to Members for consideration, and to post on the web site.

6.20. Sponsors - a. The first-named sponsors on all proposed local laws and resolutions shall be deemed to be the prime sponsors. In the event the Speaker of the Council is not a prime sponsor, the name of such member shall appear in the sequence in which such member requested to be added as a sponsor.

b. The first-named prime sponsor’s approval shall not be necessary before the names of any co-prime sponsor may be added to proposed local laws or resolutions.
