COUNCIL MEMBER ALICKA AMPRY-SAMUEL RESPONDS TO THE GOVERNOR'S WNYC RADIO INTERVIEW ON NYCHA

Brooklyn, March 1, 2018- NYC Council Member Alicka Ampry-Samuel-41st District

“As the Governor recently stated, “change comes when it’s demanded.” This council has been most effective in demanding answers and exposing the chronic and dangerous problems within NYCHA housing. That is not by mistake but via solution based partnerships, hearings and conversation with stakeholders. I am happy that so many are finally taking notice to the crisis, need for solid planning, timeliness and funding to NYCHA.”
