

7A Background – FY 18

Through the 7A Program, administrators are appointed by the Court (pursuant to New York State Law) to operate privately owned buildings that have conditions that are dangerous to the tenants' life, health and safety. The administrators act under Court Order to collect rents and use the money to provide essential services to the tenants and make necessary repairs. Experienced housing organizations, rather than individuals, are selected to provide 7A management services. HPD requires 7A Administrators to complete an application process (see <https://www1.nyc.gov/site/hpd/owners/supporting-7a.page> for more information on applying to be an Administrator).

Both HPD and tenants (usually acting through a community based organization or legal services provider) can seek the appointment of a 7A Administrator.

In some 7A buildings, HPD offers a limited amount of 7A Financial Assistance (7AFA) to repair or replace major systems or make other repairs. HPD monitors the activities of 7A administrators and administers the 7AFA loan program.
