Department of Sanitation Fiscal 2023 Budget Snapshot

Department of Sanitation Financial Plan Overview

The Department of Sanitation’s (DSNY or the Department) Fiscal 2023 Preliminary Budget totals \$1.78 billion (including City and non-City funds). Of the Department’s Fiscal 2023 Preliminary Budget, \$1.76 billion is City funding and the remaining \$23.8 million is a mix of State, federal, intra-city and other categorical funding. DSNY’s Fiscal 2023 Preliminary Budget is \$60.2 million less than the Fiscal 2022 Adopted Budget of \$1.84 billion. Furthermore, the Plan proposes \$47.8 million in Program to Eliminate the Gap (PEG) savings in Fiscal 2023, growing to \$51.7 million in the outyears.

Financial Summary

Below is a summary of funding changes by program area and funding source and headcount changes when comparing DSNY’s Fiscal 2023 Preliminary Budget to its Fiscal 2022 Adopted Budget.

<i>Dollars in Thousands</i>	FY20	FY21	FY22	Preliminary Plan		*Difference
	Actual	Actual	Adopted	FY22	FY23	FY22-FY23
Spending

*The difference of Fiscal 2022 Adopted Budget compared to Fiscal 2023 Preliminary Budget.

The Fiscal 2023 Financial Plan presents a \$1.78 billion budget for DSNY. Overall, the Fiscal 2023 Preliminary Budget provides \$1.04 billion for Personal Services (PS) to support 9,359 staff, of which 7,391 are uniform and 1,968 are civilian, and \$735.4 million for Other Than Personal Services (OTPS) to cover costs related to property, equipment, supplies, and services contracted out to private entities. The year-over-year variance between the Fiscal 2023 Preliminary Budget and the Fiscal 2022 Adopted Budget is mainly due to the following:

- A \$37.8 million change in Collection and Cleaning is mainly due to a reduction in the curbside organics collection program; one-time funding in Fiscal 2022 not included in Fiscal 2023 for supplemental litter basket service; garage and utility uniform staff reductions; and one-time funding in Fiscal 2022 not included in Fiscal 2023 for Staten Island curbside E-Waste collection.
- A \$27.2 million change in Waste Disposal – Landfill Closure is mainly due to landfill closure re-estimates.
- A \$18.9 million change in Waste Prevention, Reuse, and Recycling is mainly due to a reduction of organic program services, including outreach, marketing, processing fees, civilian staff support, smart bins, as well as organics drop-off sites.
- A \$8.2 million reduction in General Administration is mainly due to civilian vacancy reductions; slightly offset by an increase in lease adjustments.

Of the Department's 16 program areas, funding for Collection and Cleaning comprises \$808.3 million, or 45 percent of DSNY's total funding in Fiscal 2023; funding for Waste Export comprises \$470.1 million, or 26 percent; and funding for General Administration comprises \$129.2 million, or 7 percent.

The other thirteen program areas comprise the remaining 21 percent of DSNY's Fiscal 2023 Preliminary Budget.

COVID-19 Federal Funding

The Fiscal 2023 Preliminary Budget includes \$444.1 million in federal stimulus funding in Fiscal 2022 and \$7.6 million for Fiscal 2023. Federal funding decreases year-over-year mainly due \$432 million in one-time Fiscal 2022 funding not carrying into Fiscal 2023 to offset waste export costs; federal funding was used in lieu of City Tax-Levy funding.

Of note: DSNY's Fiscal 2020 and Fiscal 2021 actual spending is significantly higher due to \$345.6 million in federal stimulus funding in Fiscal 2020 and \$422.3 million in Fiscal 2021 for COVID-19 facility cleaning and supplies, as well as funding to support the emergency food distribution program.

Fiscal 2023 Preliminary Budget Changes

The Preliminary Financial Plan for Fiscal 2022-2026 (The Plan or the Preliminary Plan) introduces several budgetary changes for DSNY, including \$50 million in New Needs; \$36.6 million in Other Adjustments; and \$47.8 million in PEG's.

The most significant Preliminary Plan changes include the following:

New Needs

- **Personal Services Uniform Overtime Adjustment.** The Plan includes an additional \$50 million in Fiscal 2022 for a uniform overtime adjustment. The Fiscal 2022 Adopted Budget included \$126.4 million for uniform overtime; however, current spending as of January 2022 is \$176.2 million.
- **Vaccine Incentive.** The Plan includes \$485,500 in Fiscal 2022 as part of the City's incentive program to pay staff for receiving the COVID-19 vaccine.

Other Adjustments

- **Deferred Retroactive Payment.** The Plan includes \$19.6 million in Fiscal 2022 for deferred retroactive payments.
- **Member Item Allocations.** The Plan includes \$4.9 million in Fiscal 2022 for City Council allocations to DSNY for supplemental collection and cleaning services, as well as to purchase high-end litter baskets citywide. To-date, the City Council allocated approximately \$5.2 million to the Department in Fiscal 2022.

PEG's

- **Driving Training Adjustment.** The Plan includes \$1.3 million in savings in Fiscal 2022 and in the outyears to reduce the frequency of driver training courses that have not been effective. DSNY was not able to identify a connection between the required defensive driving training and a reduction in collisions or other safety infractions by recently trained drivers.
- **Garage Utility Worker Reduction.** The Plan includes \$5.1 million in savings in Fiscal 2023, growing to \$9.9 million in the outyears to reduce 107 garage utility staff positions through attrition. With the proposed reduction, budgeted headcount for Fiscal 2023 and in the outyears would be 378 positions for garage utility staff.

Job Detail

Garage Utility workers prepare DSNY fleet and facilities for daily operations. Some of their duties include cleaning oil leaks on garage floors; maintaining waste oil tanks/containment tubs for equipment fluids; cleaning filler ports associated with underground and aboveground petroleum storage tanks; cleaning oil spills in the field; fueling trucks; ensuring proper tire pressure/lug nut tightness; and affixing/detaching plows as well as chains on more than 2,000 collection trucks.

- **Landfill Re-estimate.** The Plan includes \$5.6 million in savings in Fiscal 2022 and \$5 million in Fiscal 2023 as closure and post-closure care costs at the Fresh Kills Landfill are lower than projected.
- **Organics Program Expansion.** The Plan includes \$9.4 million in savings in Fiscal 2022; \$18.2 million in Fiscal 2023; and \$21.1 million in the outyears to suspend expansion of the curbside organics program. Furthermore, the proposed structure of the program in Fiscal 2023 and in the outyears would continue as a residential opt-in program. For the current fiscal year, the following community boards receive curbside composting service: Brooklyn 1, 2, 6, and 7, Manhattan 6 and 7, and Bronx 8.
- **Reusable Bag Fee Revenue.** The Plan includes \$690,000 in Fiscal 2022 to recognize revenue to purchase and distribute reusable bags.
- **Splinter Group Worker Reduction.** The Plan includes savings of \$1.6 million in Fiscal 2022; \$2.7 million in Fiscal 2023; and \$3.9 million in the outyears to reduce 37 splinter group staff positions through attrition. With the proposed reduction, budgeted headcount for Fiscal 2023 and in the outyears would be 181 positions for splinter group operations.

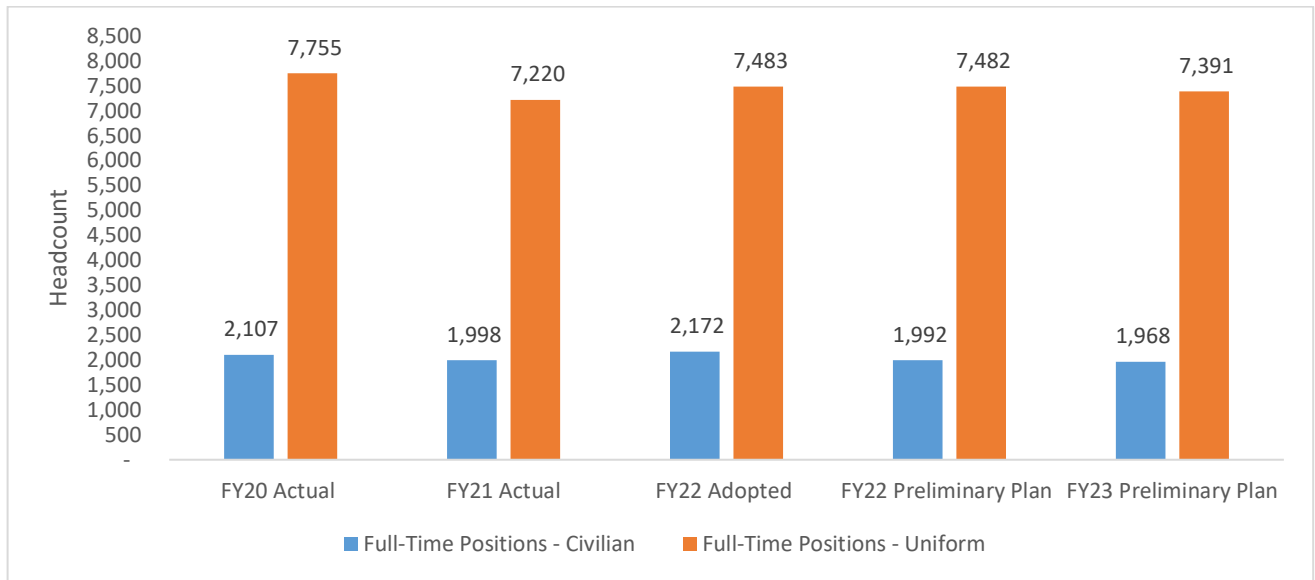

Job Detail

Splinter group personnel are uniform employees who have various roles to support the Department. Some of these roles include waste management, route development, employee training, operational systems, and communications. Furthermore, splinter group personnel provide advisability on systems development, cost analysis, field operations and waste services.

- **Vacancy Reduction.** The Plan includes \$15.5 million of savings in Fiscal 2022-2026 from the elimination of 188 civilian vacancies.

Headcount

The Department's Fiscal 2023 Preliminary Budget provides for 9,359 full-time positions, of which 7,391 are uniform and 1,968 are civilian. The Fiscal 2023 Preliminary Budget proposes a reduction of 305 uniform staff and 188 civilian staff positions, for a total of 493 staff reductions in Fiscal 2023.

Fiscal 2023 Preliminary Mayor’s Management Report

- In the first four months of Fiscal 2022 the percentage of streets rated acceptably clean increased by 0.3 points, compared to the same period in Fiscal 2021; however, the percentage of sidewalks rated acceptably clean decreased by 0.3 points over the same period.
- The number of lots cleaned citywide increased from 443 in the first four months in Fiscal 2021 to 505 lots cleaned in Fiscal 2022, despite a decrease in the number of lot cleaning requests over the same period.
- The curbside and containerized recycling diversion rate, which represents the share of the waste stream that is recycled, decreased from 17.4 percent to 16.5 percent during the first four months of Fiscal 2021 when compared to the same period for Fiscal 2022.

Preliminary Capital Commitment Plan for Fiscal 2022 to Fiscal 2026

The Department of Sanitation’s Preliminary Commitment Plan includes \$2.01 billion in Fiscal 2022-2026.

The Preliminary Capital Commitment Plan for the Department for Fiscal 2022-2026 has increased by \$219,000 to a total of \$2.01 billion, demonstrating a less than one percent increase when compared to the Department’s Adopted Commitment Plan. The increase can be primarily attributed to: an increase of \$315,000 for boiler rehabilitation and vehicle procurement; slightly offset by a reduction of \$136,000 for parking lot paving at the Staten Island 3 garage. Funding for the paving project was moved to the Department of Transportation.

Preliminary Capital Commitment Plan Highlights

Major capital projects included in the Preliminary Capital Plan for Fiscal 2022-2026 are outlined below.

- Vehicles.** The Preliminary Capital Commitment Plan includes \$1.01 billion for collection trucks and equipment. This includes salt spreaders, haulsters, street sweepers, front-end loaders, and non-motor-vehicles such as snow melters and truck lifts. DSNY plans to replace a total of 2,888 vehicles and 160 non-motor vehicles in this Plan.
- Manhattan 11 Garage.** The Preliminary Capital Commitment Plan includes \$3 million for change order construction in 2022. Construction started in 2021 and completion is anticipated in 2023.
- Bronx 6/6A Garage.** The Preliminary Capital Commitment Plan includes \$6 million for construction management and storm drainage in 2023, and \$24 million in 2024 for garage rehabilitation. Rehabilitation to begin in 2024 with completion anticipated in 2028.
- Bronx 7/8 Garage.** The Preliminary Capital Commitment Plan includes \$23 million in 2023 for slab replacement, with completion anticipated in 2026.

- **Bronx 9/10/11 Garage.** The Preliminary Capital Commitment Plan includes \$302 million for construction in 2024, including temporary location and demolition. Garage construction (first step is temporary location) to begin in 2024 with completion anticipated in 2030.
- **Bronx 12 Garage.** The Preliminary Capital Commitment Plan includes \$41 million in 2023 for garage rehabilitation, including construction management and temporary location. Rehabilitation to begin in 2023 with completion anticipated in 2027.
- **Brooklyn 3 Garage.** The Preliminary Capital Commitment Plan includes \$4 million for construction change orders in 2022 and \$3 million in 2023. Construction started in 2019; however, due to the COVID-19, pandemic construction was on hold and completion is anticipated in 2025.
- **Brooklyn 17/18 Garage.** The Preliminary Capital Commitment Plan includes \$22 million in 2022 for garage roof and HVAC replacement. Completion is anticipated in 2025.
- **Queens 1 Garage.** The Preliminary Capital Commitment Plan includes \$10 million for design in 2023; \$12 million in 2024 for construction management; and \$121 million in 2026 for construction. Garage construction to begin in 2026 with completion anticipated in 2029.
- **Queens 8/10/12.** The Preliminary Capital Commitment Plan includes \$28 million in 2024 for garage rehabilitation. Rehabilitation to begin in 2024 with completion anticipated in 2028.
- **Queens 11/13.** The Preliminary Capital Commitment Plan includes \$4 million in 2023 for construction management and \$48 million in 2024 for garage rehabilitation. Rehabilitation to begin in 2024 with completion anticipated in 2027.
- **Staten Island 1 & 3 Garage.** The Preliminary Capital Commitment Plan includes \$10 million in construction change orders. Completion of the new garage is anticipated in 2024.

Budget Issues and Concerns

- **Curbside E-Waste Collection.** The Fiscal 2023 Preliminary Budget does not restore one-time Fiscal 2022 funding of \$1.4 million for Staten Island curbside E-Waste collection, nor does the budget provide funding for citywide curbside E-Waste collection. Prior to Fiscal 2021, the curbside E-Waste collection program serviced the Bronx, Brooklyn, Queens, and Staten Island.
- **Litter Basket Service.** Litter basket service levels are down year-over-over. Before COVID-19 (FY20), DSNY had 558 baseline funded trucks plus 178 supplemental trucks (one-time funding), for a total of 736 trucks per week citywide. As of today (FY22), DSNY has 452 baseline funded trucks, plus 136 supplemental trucks (one-time funding), for a total of 588 trucks per week.
- **Curbside Organics Collection.** The Fiscal 2023 Preliminary Budget halts expansion of the curbside organics collection program in Fiscal 2023 and in the outyears.
- **School Organics.** The average budget for school organics collection for Fiscal 2023-2026 is approximately \$792,000; it is unclear – what, if any, plans the Department has for expansion of the program in Fiscal 2023 and in the outyears.
- **Organic Drop-off Sites.** In Fiscal 2022, organic drop-off sites are funded at \$7 million, of which \$3.5 million is baseline funding and \$3.5 million is one-time funding. For Fiscal 2023, only \$3.5 million in baseline funding is included in the budget for these sites.

- **Highway Ramp Cleaning.** The Fiscal 2023 Preliminary Budget does not restore a Fiscal 2020 budget cut of \$864,000 for supplemental highway ramp cleaning.
- **Waste Export.** The Department's waste export program utilizes nine long-term disposal sites, including four marine transfer stations, four rail transfer stations, and one energy from waste facility in New Jersey. These disposal sites comprise seven long-term contracts that make up the overwhelming majority of the Department's waste export budget. These seven contracts have initial terms of 20 years each, with up to two ten-year renewal periods.

The prior Administration set a goal of sending Zero Waste to landfills by 2030; however, DSNY's waste export budget continues to increase year-over-year. Since Fiscal 2020, DSNY's waste export spending has increased from \$430 million in Fiscal 2020 to \$470.1 million in Fiscal 2023.

- **Headcount.** As mentioned earlier in this report, the Fiscal 2023 Preliminary Budget proposes numerous cuts to DSNY's headcount, including: a reduction of 164 positions for curbside organics collection; a reduction of 37 positions for the splinter group; a reduction of 107 positions for garage utility work; and the elimination of 188 civilian vacancies.
- **Waste Containerization.** The Fiscal 2023 Preliminary Budget does not restore one-time Fiscal 2022 funding of \$935,000 to pilot street containerization of waste.
- **Additional Litter Baskets.** The Fiscal 2023 Preliminary Budget does not restore one-time Fiscal 2022 funding of \$1.4 million to purchase 2,000 additional high-end litter baskets. Most of these baskets have been delivered and are being placed into service citywide.
- **Street Sweeping.** DSNY currently operates a reduced one-day a week Alternate Side Parking - Street Sweeping program and will continue do so into Fiscal 2023.
- **Rat Programs.** The original Rat Program that provided additional refuse and basket service for the Bronx, Brooklyn, and Manhattan was eliminated in the Fiscal 2021 Executive Budget. However, a portion of the Rat Program was restored in the Fiscal 2022 November Plan and is funded at \$673,831 in Fiscal 2022; \$281,808 in Fiscal 2023; and \$307,632 in the outyears.
- **Special Waste Programs.** Although there is baseline funding for the Special Waste Program, an additional \$2.6 million allocated in the Fiscal 2022 Executive Budget was only funded for the current fiscal year.
- **Precision Cleaning Initiative.** The Precision Cleaning Initiative was launched in Fiscal 2022; it uses borough-based teams to conduct targeted cleanings of litter conditions, illegal dumping, and overflowing litter baskets. Teams are dispatched based on DSNY field observations, 311 complaints and referrals from other City agencies and community groups. Additional details are needed from DSNY as to what program service levels are for Fiscal 2023 and in the outyears.
