Executive Summary

Nonpublic School Security Guard Reimbursement Program (NPS) History

Local Law 2 of 2016 (NYC Ad Code §10-172), enacted on January 5, 2016, empowers the Mayor to authorize a program to reimburse qualifying nonpublic elementary and secondary schools for the cost of certain security guard services with a total mandated annual funding of \$19.8 million. DCAS was designated the administering agency and, as such, promulgated rules to outline the requirements of the program (Title 55, Chapter 14 of the Rules of the City of New York (“Rules”). The Rules were adopted on July 8, 2016.

Program Eligibility Criteria

To be eligible to participate in the program, the school must meet the following requirements:

- o Be a nonpublic school (non-Department of Education and non-Charter School).
- o Be a nonprofit school.
- o Have 300 or more students in any combination of grades Pre-K through twelfth grades only.
- o Have an assigned Basic Educational Data System (BEDS) code number issued by the New York State Education Department (NYSED) for each instructional location.

300 to 499 Students = 1 security guard

500 to 999 Students = 2 security guards

Each additional 500 Students = 1 additional security guard

City Council FY25 Adopted Budget Terms and Conditions

As a condition of the funds in unit of appropriation number 290, the Department of Citywide Administrative Services shall submit an annual report to the Council regarding School Safety Guard reimbursement required pursuant to Local Law 2 of 2016. Such report shall provide:

1. The headcount of school safety guards, disaggregated by school.
2. The hours and amounts reimbursed, disaggregated by school.
3. The number of schools that have applied for the program and the number of schools that were enrolled in the program.
4. A description of the methodology used to set the level of reimbursable hours with an explanation of any changes made to that level in the prior year.

The report shall be submitted on or before November 1, 2024 and shall cover the period beginning July 1, 2023 and ending June 30, 2024.

Request #1: Headcount of school safety guards disaggregated by school

Total number of schools registered for Fiscal Year 2022 (FY22) through Fiscal Year 2024 (FY24) by the NPS Program was 209 schools as of April 26, 2024. The total number of guards associated with the 209 schools with registered MOUs totaled 359 guards.

Please see Attachment A in the Appendices for the list of schools and the number of guards allocated for each.

Request #2: School hours and amounts reimbursed disaggregated by school

DCAS's NPS team has issued reimbursements to 180 schools totaling \$12.6 million for the service period of July 1, 2023 through June 30, 2024. The number of hours associated with this reimbursement totals 384,464.

Please note: the \$12.6 million figure represents FY24 payments issued year to date as of November 1, 2024. In addition, the \$12.6 million does not represent full year FY24 payment because there are schools that have yet to submit all invoices for services provided through June 30, 2024.

Please see Attachment B in the Appendices for the number of approved hours and the value of the reimbursements for each school.

Request #3: Number of schools that have applied for the program and number of schools enrolled in the program

From the period FY22 to FY24, a total of 304 schools applied for this program with 209 schools enrolled with registered MOUs as of April 26, 2024. Of the 209 schools registered, 13 were first time participants of the program.

Total Number of Schools for FY2024

School Names	Total
Applied (FY22-FY24)	304
Preliminarily Approved as Eligible (FY22-FY24)	258
Registered MOUs (Enrolled) as of 4/26/2024*	209
Reimbursed YTD	180

Data as of 11/01/2024

*MOUs are issued for three years. The total 209 registered schools includes 176 schools with active MOUs from 2021-22 and 2022-23.

Request #4: Description of methodology used in FY24 to set the level of reimbursable hours with an explanation of any changes made to that level in FY23

Budget Preparation

In FY24, the individual school budget allocations were developed to ensure equitable distribution for each school within \$19.8M. The budgets were prepared for registered schools from FY22 and FY23 with an active three-year MOU, and the newly approved schools pending registration. Each school received a budget allocation determined for 48 hours per week per guard using the hourly rate provided per the Preliminary Building Service Employee Schedule – Labor Law Article 9, effective July 1st of the respective school year. The only difference was the contingency was reduced from \$0.5M in FY23 to \$0.0M in FY24 resulting in a higher per guard allocation to the schools from \$50,260 in FY23 to \$51,429 in FY24.

Hours of Reimbursement Established in FY24

Schools were informed at the time they were issued their FY24 budget allocation, that all hours of contractual guard service would be deemed eligible for reimbursement if:

- o Security services were provided for school-related instruction of school-related events, including, but not limited to, after school programs and athletic events
- o Conducted during operating hours as indicated by the schools to DCAS via school workscopes and approved afterschool activities requests after 6pm or weekends
- o Overtime cap at 15% of “straight time” cost is not exceeded

On April 5, 2024, schools received notification from the NPS Program that a request for additional funding was available. DCAS reviewed the actuals and projected the FY24 spend for all participating schools. The analysis revealed that 112 schools were projected to spend above their FY24 budget allocation. These 112 schools were notified that they would be approved for the additional funds for the remainder of FY24. Please see below for the results of the outreach:

- o 112 schools received additional funding
- o 32 schools utilized the additional funding as of 10/08/2024
- o No school finished the school year in a deficit

This is an increase over FY23 when there were 86 schools that received additional funds.
