Fiscal 2026 Schedule C Introduction

The Fiscal 2026 budget, the fourth and final iteration by the Council under the leadership of Speaker Adrienne E. Adams, is in many ways a historic budget with unprecedented baselining of funds and key investments in Council and New Yorkers' priorities. The Fiscal 2026 budget is the culmination of the Council's consistently steadfast commitment to meeting the needs of New York City's communities and working families. Through this process, the Council has been clear about the City's fiscal realities and the resources necessary to invest in and protect the services New Yorkers rely on. This budget includes over \$1.7 billion dollars of the Council's priorities. The budget reflects and underscores the Council's commitment to securing key restorations, baselining and preserving the many critical programs and services that New Yorkers rely on, and building a safer and healthier City.

The budget outlines and provides a blueprint of what it looks like when the City moves away from a budget process focused solely on restorations and towards baselining and strengthening the supports that New Yorkers need to thrive.

The Path from Preliminary Budget to Adoption

Preliminary Budget

The Adams Administration released its Preliminary Financial Plan for Fiscal 2026 to 2029 (Preliminary Plan) on January 16, 2025. In evaluating the Preliminary Plan, the Council found some of the cuts projected in the Mayor's November Financial Plan had been resolved through updated revenue projections that more closely reflected projections of the Council and other City fiscal monitors, though several items were omitted and projected risks carried over. Significant underfunding to 3-K programming, parks, CUNY, libraries, mental health services, and cultural organizations necessitated a budget that met the needs of New Yorkers. The Council found the Office of Management and Budget's (OMB) updated projections continued to underestimate available resources, their projections did not recognize additional resources in Fiscal Years 2025 and 2026, or in the outyears.

Budget Response

On April 1, 2025, the Council submitted its response to the Preliminary Financial Plan for Fiscals 2026 – 2029 (Budget Response), which balanced the need to strengthen the City's fiscal foundation for addressing its major challenges with the provision of funding for critical programs and preparing for future economic hazards. The Council achieved this by successfully identifying \$6.3 billion in newly available resources through Fiscal Year 2026 helping to reverse previous budget reductions that had been destabilizing, addressing the underbudgeting in the presented Preliminary Plan, accounting for the expiration of federal stimulus dollars while still strengthening the city's core services, and preparing for economic uncertainties and risks. Specifically, the Council identified a need for \$4.4 billion in expense spending to address budgetary shortfalls, offset cuts, and deepen investment into key programs, \$2.8 billion in support of capital investments, and an additional \$1.9 billion to address additional new needs and to be set aside in reserves to account for any unforeseen budgetary risks.

In the Budget Response, the Council provided recommendations for investing these resources in the following areas:

- Laying a strong foundation of housing for New Yorkers and families;
- Promoting access to education and learning;
- Advancing a healthy and safe City;
- Enhancing institutional pillars of the City, and;

- Strengthening opportunities and services.

The Council formulated its proposals in the Budget Response in recognition of concerns we heard from New Yorkers across all neighborhoods, taking a full appraisal of the resources at hand, advancing clear priorities, and address the critical ongoing needs of the city. The health, safety, and well-being of our neighborhoods and economy are all linked to how we fulfill our mandated responsibility to equitably provide services.

The Council also continued to press the Administration for increased transparency and accountability in their budgeting practices, including:

Discontinuing the use of vague and overly broad units of appropriation (U/A's) in favor of smaller U/A's that properly show programmatic expense spending; and

Improving the Mayor's Management Report (MMR) by establishing clearer targets for all agency performance indicators and explaining variances when they occur with significant indicators.

Executive Budget

When the Mayor released the Executive Financial Plan for Fiscal 2026 to 2029 (Executive Plan) on May 1, 2025, it reflected only a portion of the \$6.3 billion in available resources the City Council had identified in the Budget Response, while still leaving gaps in funding for several key agencies and programs, within the Mayor's Fiscal Year (FY) 2026 Executive Budget. The Administration did include funding for several Council priorities, including \$197 million for the restoration of 3-K and Pre-K, \$104.5 million for older adult services, and nearly \$30 million for neighborhood sanitation services. However, key investments for childcare, public school, mental health, and public safety programs remained underfunded and inadequate to meet the needs of New Yorkers and critical support for New York's mental health services, libraries, and cultural institutions remained unaccounted for.

Soon after the release of the Executive Plan the Council unveiled its updated Economic and Tax Forecast, which showed consistent revenue projections outpacing the Administration by \$1.7 billion between Fiscals 2025 and 2026. These forecasts could provide funding for Council priorities and restorations. Throughout the hearings on the Executive Plan the Council continued to stress a balanced approach to protect vital services while continuing to stabilize the City as we formulated the Adopted Fiscal 2026 Budget.

Adopted Budget

The Fiscal 2026 Adopted Budget totals \$115.9 billion and restores and baselines essential programs and services for New Yorkers in every community – including key Council priorities in libraries, immigration legal services, mental health care and public safety, childcare and early childhood education, cultural institutions, housing, and more. The Council secured over \$1.7 billion in funding restorations and targeted enhancements as part of budget negotiations and \$4 billion in capital funding for City For All.

Education

Early Childhood Education

The Council secured \$308.5 million in the Adopted Budget specifically for Early Childhood Education, on top of the \$222 million in the Executive Budget, for a total increase of \$530.5 million in Fiscal 2026. The Adopted Budget includes an additional \$10 million to expand access to childcare for infants and toddlers ages 0–2 years old. This new investment will support hundreds of working families in high-need communities, marking another step towards building a more universal, equitable child care system in New York City. Funding of

\$125 million for Pre-School Special Education, including \$55 million, baselined in the Executive Budget for special education Pre-K expansion and \$70 million in the Adopted Budget for evaluations, as well as additional services, and classes. Importantly, the budget includes a restoration and baselining of \$112 million in funding for 3-K and Pre-K programming, to continue to provide robust early childhood education programs. Additionally, the Council secured \$25 million in baselined funding to continue providing additional full day/full year 3-K seats in high need communities, as well as \$5 million for marketing and outreach in the Executive Budget.

The Council was also able to add an additional \$25 million to continue the Administration for Children’s Services (ACS) Promise NYC program in Fiscal 2026. The Executive Plan included \$194.9 million in City funding for ACS Childcare Vouchers, the Council was able to secure an additional \$228.5 million in the adopted budget, increasing the Fiscal 2026 budget to \$423.4 million. In order to access an additional \$350 million of State funding, the City must contribute \$328 million in City funding (known as the “Maintenance of Effort”) this has been exceeded in the Adopted Budget.

Higher Education

The Council secured \$9.8 million in the Adopted Budget, in addition to the \$126.1 million secured in the Executive Plan, for a total of \$135.9 million, to sustain and enhance key programs across the City University of New York (CUNY) system. This includes \$94.5 million for the restoration of funding cut in prior plans and \$15 million for operational support, \$10.1 million for CUNY Accelerate, Complete, and Engage (ACE), along with \$7.8 million for the CUNY Reconnect program to help working New Yorkers with college credits re-engage with school and complete their degrees. The Council also negotiated \$5.5 million for ASAP for All with \$1 million baselined, \$1 million baselined for STEM, and \$2 million for CUNY Social Work Fellows. In addition, new initiatives totaling \$2.4 million for CUNY Public Services Training Corps are included in the Adopted Budget increasing the Fiscal 2026 total for the Council’s higher education initiatives to \$29.4 million.

Youth and Community Development

The Council secured \$31.7 million in the Adopted and Executive Budgets for necessary services to benefit the City’s youth, including \$11 million to provide MetroCards for participants in the Summer Youth Employment Program, \$1.6 million for Runaway and Homeless Youth (RHY) housing navigators, and \$1.6 million for RHY peer navigators. In Fiscal 2026, Council youth initiatives total \$22.8 million, with an additional \$11.8 million for the Young Women’s Initiative.

The Council has invested \$44 million in community development initiatives in Fiscal 2026, including an \$8 million enhancement for adult literacy programs. There is also an additional \$6.5 million dedicated to Trans Equity Programs to support a range of services to empower the transgender and gender non-conforming community, as well as \$3 million for the Culturally Specific Gender Based Violence Initiative. The Council secured an additional \$3.8 million for building language access infrastructure for the community interpreter bank and language services worker cooperatives, and \$1 million for community development financial institutions (CDFIs). The Council has also dedicated \$34 million to small business and workforce development initiatives and introduced \$1 million for Minority Owned Business Accelerator that would focus on growth, using cohort-based models.

Housing and Homeless Services

The Council successfully negotiated a baseline addition of \$63.5 million in the Executive Plan for the prevailing wage for homeless shelter security, as legislatively required, under the Department of Homeless Services (DHS). Housing initiatives designated by the Council totaled \$18.2 million in Fiscal 2026. The Adopted

Budget includes \$4 billion in capital funding, secured by the Council as part of its City for All housing plan, to support the creation and preservation of more affordable housing units and the bolstering of neighborhood infrastructure. The Council was able to negotiate \$4.8 million in baselined funding to enhance Justice Involved Supportive Housing (JISH) to fulfill the City's previous commitment to provide 500 supportive housing units for individuals leaving Rikers, \$1.2 million for low-barrier microgrants to survivors of domestic violence with the aim of helping individuals maintain safe and stable housing, \$10.1 million for the Shelter to Housing Action Plan to assist the unhoused population transition to permanent housing, \$3 million to provide direct cash grants to expecting mothers and foster youth facing housing insecurity \$3.2 million, and a \$1 million enhancement to the Council's estate planning initiative to preserve generational wealth in communities of color.

Human Services

The Council negotiated an additional \$85.9 million in the Adopted Budget, in addition to \$133.6 million added in the Executive Plan, for a diverse array of human services programs supporting vulnerable New Yorkers through the Human Resources Administration (HRA). The Adopted Budget includes \$51.1 million in emergency food programs, of which \$36.1 million is for the Community Food Connection program and \$15 million for the Council's new Feeding Our Communities initiative. In Fiscal 2026, \$25 million will restore previous Fair Fares funding and expand program eligibility to 150 percent of the Federal Poverty Level, to serve more low-income commuters. The Adopted Budget includes \$39.6 million for HIV/AIDS Services Administration emergency shelter units to more closely align with actual spending. The Executive Plan included an additional \$15.6 million for the Right to Counsel program, and the Adopted Budget includes \$10 million in baseline funding for civil legal providers. The Adopted Budget also includes \$2 million for a pilot program to provide legal assistance to domestic violence survivors in divorce proceedings, \$2.2 million for the Council's Low Wage Worker Support initiative, and \$3 million for continuation of the Council's innovative Guaranteed Income Program.

Older New Yorkers will benefit from \$104.5 million in baselined funding added in the Executive Plan to ensure continuity of services, \$5 million for a new Council initiative for Older Adult Center Improvements, \$4.78 million for enhanced rates for home-delivered meals, and \$2 million for case management. The Executive Plan included \$540,000 in Council initiative funding in Fiscal 2026 to continue support for Veteran Resource Centers.

Immigrant Services

The Council has secured \$74.7 million for Immigration Legal Services, of which \$33.6 million will ensure continuity of services and help defend immigrants against ongoing aggressive, anti-immigrant policies, \$24.6 million for the New York Immigrant Family Unity Project, and \$16.5 million to fund legal counsel for children in removal proceedings, social services to children appearing on the Juvenile and Surge Dockets in New York Immigration court, and legal services to adults with children.

Health and Mental Health

The Adopted Budget includes an additional \$11 million for Intensive Mobile Treatment (IMT) Expansion for the creation of a pilot step-down program for clients who have progressed in their recovery and require less-intensive services. The Council's expansive health services initiative portfolio totals \$38.7 million in Fiscal 2026, including \$4.8 million to enhance Trauma Recovery Centers, \$4.8 million for justice-involved supportive housing, and \$3 million for the Syringe Redemption Pilot Program, to provide clean needles, test strips, access to addiction treatment medication, and other social services. The Adopted Budget includes an additional \$2 million for the MCCAP Initiative to assist New Yorkers with healthcare and insurance needs. The Adopted

Budget also includes \$1.5 million for the Nurse Family Partnership to improve maternal health outcomes and reduce disparities and \$583,000 for Maternal Health Expansion and Maternal Health Support. The Council will continue to provide funding for mental health clubhouses, including an additional \$3 million in the Adopted Budget. Recovery support will continue for clients who have progressed and require less-intensive services totaling with \$4.5 million for the creation of a step-down program for Assertive Community Treatment, as well as \$4.5 million towards a new Council initiative for Peer Specialist Staffing to support mental health and recovery programming. The Adopted Budget includes an additional \$2.5 million for Crisis Respite Centers to support expanded operations of centers that provide community based mental health care. The Council allocated \$1 million to support the creation of an EMS Wellness Support Pilot that provides peer support and wellness programming for the City's EMS workers. In addition, the Adopted Budget also includes an additional \$5 million to restore NYC 988 to ensure that the suicide and crisis intervention hotline maintains adequate staffing levels with reasonable wait times.

Public Safety

The Council built on public safety successes that saw an additional \$43.3 million provided in the Executive Plan with \$13.7 million in additional funding included in the Adopted Budget. The Executive Plan included a baseline increase of \$20.4 million for Public Defenders for indigent New Yorkers. The Adopted Budget includes \$9.1 million to support the expansion of the Supervised Release Intensive Case Management Pilot, \$8 million for re-entry and discharge planning (\$4.7 million of which was baselined), \$8.9 million for Alternatives to Incarceration (ATI) including \$7.6 million baselined for programs that provide services tailored to participants, \$5 million to increase electronic monitoring capacity, in an effort to reduce the Rikers Island population, \$1.2 million baselined for the Civilian Complaint Review Board (CCRB) including 20 new positions, and \$339,000 for the Board of Correction (BOC). In Fiscal 2026, the Council's initiatives for public safety total \$5.7 million, with an additional \$16 million for domestic violence services initiatives and \$33.4 million for criminal justice services initiatives.

Parks and Sanitation

The Council secured an additional \$17.8 million for the Department of Parks and Recreation (DPR) in Fiscal 2026, including \$6.1 million to hire over 70 additional park maintenance workers. The Council also achieved several restorations totaling \$11.7 million to restore funding for Urban Park Rangers (\$4.1 million), additional tree stump removal (\$2 million), forestry management (\$3 million), and the GreenThumb program (\$2.6 million). Council initiatives for parks and recreation total \$5.4 million.

Furthermore, the Council negotiated and baselined \$29.7 million for improved litter basket pickup through the Department of Sanitation (DSNY), as well as \$5 million to support BIDS by supplementing the purchase of containers. In addition, \$820,000 was baselined to fund dedicated personnel to prevent vacant lots from becoming neglected and hotbeds for illegal dumping. Together these investments will improve the quality of public space and overall environment throughout the City. Council initiatives to improve the quality of New York City's recreational spaces and environment total \$25.6 million in Fiscal 2026.

Culturals and Libraries

The Council successfully negotiated the addition of \$107.7 million for cultural organizations and libraries in Fiscal 2026, with \$45 million baselined to restore support for the cultural community, plus an additional \$30 million in Fiscal 2026 added at Adoption for cultural institutions and programs. The \$32.7 million added for libraries in Fiscal 2026 includes an additional \$2 million to expand 7-day library service to 10 additional branches citywide, preserving this precious resource on the weekends for families, English language learners, and readers of all backgrounds to enjoy. Council initiatives total \$34.4 million for cultural organizations.

Government Operations

The Council negotiated the addition of \$410,000 for the City's Commission on Human Rights (CCHR) as well as an additional \$9.5 million for the Mayor's Office of Contract Services (MOCS), which underpins human services contracting. Lastly, the Council was able to provide an additional \$1.4 million for the City Clerk's office.

Budget Reform and Transparency

The Council has continued its push to increase budgetary transparency and accountability for how the City's dollars are spent. The Fiscal 2026 Budget includes a record 68 Terms and Conditions and 10 new Units of Appropriation that will provide additional clarity and details on the success of City expenditures. These efforts enhance transparency in the City budget for the public and advocates, while ensuring the Council maintains its Charter-mandated ability to set and modify spending priorities.

Schedule C

Schedule C reinforces the Council's commitment to supporting our communities above and beyond the core services already provided by City government. Our spending plan complements the long-term stability, performance, and transparency measures the Council negotiated for as part of the larger budget.

Discretionary Funding

Each year, Council Members allocate discretionary funds to not-for-profit organizations and designate funding directly to City agencies in order to meet local needs and fill gaps in City services. While not a large part of the budget, this funding allows the City to take advantage of Council Members' localized knowledge to better target services to City residents. Council rules adopted in 2014 raised the already high standard of transparency by which this funding operates in requiring that the method used to allocate funding among Members be publicly disclosed.

In this budget, each Council Member is allocated a base \$400,000 in expense funding. Members are further allocated an additional \$25,000; \$50,000; \$75,000; or \$100,000 depending upon the level of poverty in the district.

Procedure and Requirements for Designation

Schedule C designates funding for community-based, not-for-profit and other public service organizations and City agencies. For funds designated to organizations, the expenditure of any funds for each organization identified in Schedule C is contingent upon the satisfactory completion of 1) a detailed initial review process; and 2) all applicable City procurement requirements at the time of contract award. Even then, funding may be used only for appropriately reimbursable expenses, as determined by the administering agency.

For-profit entities may not receive discretionary funds, except when the primary not-for-profit funding recipient subcontracts with a for-profit entity as part of the delivery of services. Such proposed subcontracts, however, must be:

- only an ancillary part of the program to be funded - not the primary basis for the discretionary award; and
- pre-approved by the contracting agency and the City Council.

The New York City Council and MOCS have established the following review for all organizations listed in Schedule C:

FISCAL YEAR 2026 ADOPTED EXPENSE BUDGET ADJUSTMENT SUMMARY

The Council reviews the public purpose, potential conflicts of interest, compliance with the New York State Charities Bureau, past performance, compliance with laws, rules, regulations, and policies, including not-for-profit status, any reported investigations, audits, inquiries, and other relevant information; and

MOCS reviews organizations which were allocated more than \$10,000 cumulatively in this fiscal year to confirm whether the organization has been prequalified, indicating organizational capability to establish a business relationship with the City of New York and deliver specific services.

While approved subcontractors of organizations that receive discretionary funding are not generally required to submit a prequalification application, they are subject to conflict-of-interest disclosure requirements, as are not-for-profit organizations. Prior to the designation of community-based not-for-profit and other public service organizations, members disclose on the record any potential conflicts of interest with organizations funded by other members.

Organizations subject to the training requirement are those that receive less than \$750,000 in discretionary funds (per fiscal year). Organizations that receive \$750,000 or more in cumulative discretionary funding (per fiscal year) are exempt from completing City Council's Capacity Building Training. MOCS prequalification is administered through PASSPort and renewed every three years. Each organization's compliance with annual filing requirements is reviewed each year to maintain prequalified status. In addition, the Department of Cultural Affairs (DCLA) administers the Cultural Development Fund to establish prequalification for organizations awarded cultural funds through DCLA.

Further restrictions to ensure the appropriate use of City funds will be incorporated through the City's procurement process.

All organizations receiving funding pursuant to an initiative will be subject to prequalification review and approval by the Mayor's Office of Contract Services.

Anti-Poverty

When allocating funding this year, the Council used a poverty indicator to provide a basis for which to fund programs. Poverty was estimated at the Council District level using 2016 American Community Survey data, specifically the number of individuals below the federal poverty level. Funding to the listed organizations will help to address income disparities throughout the five boroughs.

Community Safety and Victim Services

The primary purpose of the Community Safety and Victim Services Initiative is to support the essential services that strengthen communities and make them safer. This includes services for victims of crime, as well as programs for youth, economic opportunity, housing stability, physical and mental health, community and recreational programs, and expanded access to services.

Victim services may include, but are not limited to, those provided by sexual assault crisis centers, domestic violence shelters, child abuse treatment facilities and community-based victim service organizations.

Home Loan Program **\$1,800,000**

Agency: HPD (806)
U/A: 009 – Office of Development – OTPS
First Year Funded: Fiscal 2016
Areas Served: Citywide
Target Population: Homeowners

Scope of Services: This initiative provides funding for the Home Emergency Loan Program (Project HELP) administered by HPD and Neighborhood Housing Services Organizations (NHS), which provide direct, low-interest home improvement loans to owners of one-to four-family homes in the five boroughs. This funding will provide Emergency Repair Loans to correct health and safety related emergency situations such as roof leaks, water main breaks, hazardous sidewalks, or heating system repairs in small, owner occupied buildings. Emergency loans under this program are conditional loans and will be awarded to eligible owners. Preference is given to renovations that provide access for persons with disabilities or who are handicapped. The City Council also allocates funding to the Center for New York City Neighborhoods to work in collaboration with HPD and the NHS organizations to provide financial and technical assistance under this initiative.
