Fiscal 2025 Q1 Overtime Spending by Precinct T&C

(Dollars in Millions)

In the first quarter of Fiscal 2025 (July 1, 2024 – September 30, 2024) NYPD spent \$298 million on uniform overtime of which \$97.5 million can be directly attributed to one of the 77 precincts in NYC. The remaining \$200.6 million of overtime spending which can't be attributed directly to a precinct is for specialized squads, divisions and patrol borough operations. The highest spending was seen in the Midtown South precinct and the 75th precinct with approximately \$2.2 million each. The lowest spending was seen in the 100th precinct which spent \$593,542 on uniform overtime.
