Fiscal 2025 Q3 Overtime Spending by Precinct T&C *(Dollars in Millions)*

In the third quarter of Fiscal 2025 (January 1, 2025 – March 31, 2025) the NYPD spent \$177.6 million on uniform overtime of which \$46.4 million can be directly attributed to one of the city's 78 precincts. The remaining \$131.2 million of overtime spending, which can't be attributed directly to a precinct, was for overtime in specialized squads, divisions, and patrol borough operations. The precinct with the most overtime spending was the 75th precinct with approximately \$1.3 million. The precinct with the least overtime spending during this period was the 100th precinct which had \$201,198 of uniform overtime.
