Fiscal 2025 Q4 Overtime Spending by Precinct T&C

(Dollars in Millions)

Overtime Spending

In the fourth quarter of Fiscal 2025 (April 1, 2025 – June 30, 2025) NYPD spent \$224.9 million on uniform overtime, of which, \$66.8 million can be directly attributed to one of the city’s 78 precincts. The remaining \$158.2 million of overtime spending, which can’t be attributed directly to a precinct, was for overtime in specialized squads, divisions, and patrol borough operations. The precinct with the most overtime spending during this period was the 75th precinct, spending approximately \$1.7 million. The precinct with the least overtime spending during this period was the 100th precinct, which had \$373,498 of uniform overtime.
