Modifications/Conditions:

1. The community does not want a storage facility on the corner of Pitkin and Pennsylvania Avenue also known as block 3721, lot 1.
2. The community would like to reclaim the Old Traffic Court building known as 127 Pennsylvania Avenue, corner of Liberty Avenue also known as block 3687, lot 1. The Community Board office is located in the building and the community would like to see this building restored to a recreation facility for community use. Approximately three million dollar is needed to repair the build. This would increase productivity and moral for community board members and staff to effectively address the economic development needs of the community. Additionally, community residents would benefit from this investment.
3. The community would like for the city to acquire the Long Island Railroad sub-station building located at Atlantic Avenue (service road) and Snediker Avenue. This building is location on block 3680. This building will be used as a Cultural Center for the residents of East New York and Brownsville.

4. We would like a CUNY campus in the rezone area. This would allow for long-term economic sustainability for all of East New York and neighboring communities.
5. We would like an Innovation Lab – a job-placement and training center run in conjunction with New York City College of Technology and local business organizations that would train young people to do basic computer coding; and helps locals start small cooperative businesses; and help find jobs for adults.
6. We would like approximately \$20 million dollars or more investment from NYC Economic Development Corporation (EDC) in East New York for Business Incubators in the IBZ and Innovation Labs throughout Community Board #5 (Note: 2014 EDC invested \$316,396 in East New York). This much needed investment would address the high unemployment in CB#5.
7. We need a 30 year Tax-Credit for long-term East New York homeowners and businesses to ease the property tax burden due to rezone changes.
8. The City should finance the creation of lower cost rental space for local small businesses.
9. We need multi-year, robust support for strengthening local business focusing training and business planning, including topics such as purchasing properties, meeting increased and differing demands for services and preparing your business for changes, etc.
10. We want to make sure that the merchants in the community request is in placed which is: assistance in the preservation/repair of mixed use properties and down-payment assistance made available to support local businesses in buying mixed-use buildings.
11. We need a City commitment to save East New York manufacturing and provide relocation fund for industrial businesses that need to relocate.
12. We need a City commitment to create good living wage jobs for East New York residents in construction and manufacturing and other growth sectors.
