

ATTN: PAUL TRAVIS

As Managing Partner for KINGSBRIDGE ASSOCIATES, LLC

675 Third Avenue, New York, NY 10017

Transmitted via electronic mail on October 5, 2026

Dear Kingsbridge Associates,

We write as elected officials representing the West Bronx regarding **reports and increasing sightings of US Immigration and Customs Enforcement (ICE) using the parking lot at Target's 40 W. 225th Street location as a staging area for immigration enforcement activity.**

REQUEST: We request a response confirming whether Kingsbridge Associates LLC, Target or another controlling entity has authorized ICE's use of the property. If authorization has been granted, we urge the responsible entity to immediately withdraw or terminate that authorization and take measures to prohibit ICE from using the parking lot for staging, absent access required by law.

Our communities are outraged. In April of this year, more than 50 residents from the Bronx, Upper Manhattan, and Westchester [wrote to Target](#) calling on the company to end cooperation with ICE and establish protections against immigration enforcement on Target property. This is private property operated by or for Target, where our neighbors shop, work, and bring their families. In a borough home to hundreds of thousands of immigrants, our residents should not have to fear that their neighborhood shops are being used as a staging ground for immigration enforcement.

We respectfully request a written response by October 31, 2026.

Respectfully,

Pierina Sanchez
Council Member,
